## Remarks

Note: Remarks are not for responding to an office action.

The U.S. Patents identified herein have come to the attention of the undersigned in connection with the subject application. The identification of these U.S. patents is for the purpose of meeting Applicant's duty of disclosure under 37 C.F.R. Section 1.56 and is not intended to be an admission that any of these U.S. patents constitute prior art as to the invention disclosed and claimed in the subject application. Further, Applicant makes no representation whether any of these U.S. Patents qualify as prior art under 35 U.S.C. 102. The Examiner is courteously solicited to enter an expeditious allowance of this application. If any questions remain to be addressed, it is respectfully requested that the filing attorney for the Applicant be contacted.
